

# WE MAKE IT HAPPEN EFFORTLESS

## DDW PowerBarrow For All Your Construction Material Handling Needs

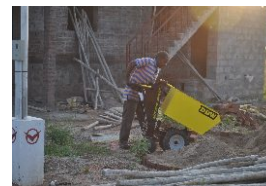

Powered by durable REN 2- Stroke petrol engines, DDW Power Barrow Models PB150P & PB200P are the most innovative and affordable outdoor Earth moving and material handling power barrows. Built with a strong oil lubricated gear box, coupled with trouble free chain drive, the DDW Power Barrow can be operated on most terrains. Operated by a single person the DDW Power Barrow can be easily maneuvered (Low turning radius) inside any tight corners in construction sites. The "QuickTip" mechanism makes it very convenient for tipping and re-locking the bin.

**Now no need to Push, Pull and Drag,  
Simply Walk behind and gently tip!**

**VERSATILE | EASY TO OPERATE | EASY TIPPING WITH LOCK  
DURABLE REN ENGINE | SHORT TURNING RADIUS  
OIL LUBRICATED GEAR BOX**
